Undergraduate

2025/2026 Session

BACHELOR OF DIGITAL GRAPHIC DESIGN (HONOURS)

INTRODUCTION

The Bachelor of Digital Graphic Design (Honours) program is meticulously crafted to produce proficient graduates poised for success in the dynamic graphic design industry. Students not only gain in-depth knowledge but also develop innovative practices and technical competency skills essential for organizational success, particularly in digital graphic design. Throughout the course, students engage with various digital tools and techniques, honing their ability to deliver creative and strategic solutions in graphic design. Upon completion, students possess the multitasking and problem-solving skills necessary to thrive in a competitive environment, specifically within the realm of digital graphic design. They emerge as adaptable professionals, capable of leading and innovating within the industry, leveraging their expertise in digital graphic design to make impactful contributions.
