# Undergraduate

2025/2026 Session

# BACHELOR OF INFORMATION TECHNOLOGY WITH BUSINESS MANAGEMENT (HONOURS)

## INTRODUCTION

The Bachelor of Information Technology with Business Management (Honours) program is designed to produce graduates proficient in Information Technology (IT) skills with a focus on Business Analysis. IT plays an increasingly crucial role in the success of organizations of all sizes. As companies grow, they rely more on advanced tools and skilled personnel to leverage technology as a competitive advantage. This course provides students with exposure to both Information Technology and business management. The program also emphasizes interpersonal skills, strategic problem-solving, and operational principles. Students will receive a robust and comprehensive business education, preparing them to be astute and creative thinkers in various professional environments.
